The unit has exclusive access and there are no shared areas but there is a large room (photos after the bathroom in our photos) which can be rented in addition to the 1 bedroom unit which does offer internal access if wanted or it can be locked off and not included in the tenancy. This extra room could be used as a second living area or as a second bedroom.

As a 1 bedroom unit, the configuration is a carpeted bedroom, a carpeted lounge (could be used as a bedroom also), a tiled kitchen and open plan dining area with a separate combined bathroom and laundry. This is available for rent at \$375 per week.

With the additional room, the configuration is 2 carpeted bedrooms, a carpeted lounge, a tiled kitchen and open plan dining area with a separate combined bathroom and laundry. This is available for rent at \$450 per week.

Sorry no pets due to the unique nature of the property and no fenced areas. Your rental application and lease will be processed by The Property League and then the tenancy will be handed over to the owners to manage with The Property League available for advice for either party throughout the tenancy.
