

Unit 511/5 Bermagui Cres, Buddina

Wow...Amazing 270 Degree Views with No Units Above!

This spacious light filled stylish apartment with high ceilings is situated on the north west corner high up on the 5th level with no apartment above making it peaceful and quiet and definitely a must see as I doubt very much this one will be on the market for long! With 270 degree views you can see the Glass House Mountains to the South, the Buderim Ranges and beautiful sunsets to the west, Mooloolaba, Mount Coolum and up to Noosa to the North and the iconic Point Cartwright Lighthouse to the north east then around to the Pacific Ocean where you can see Ships and sometimes Whales passing by to the East and the location of this fabulous apartment is second to none, so central and so close to it all, in fact you will hardly need to get the car out as you can walk everywhere as just about everything you need is literally on your doorstep! Its also only a 2 minute walk to Buddina Primary and also happens be be positioned in the Mountain Creek

High School Zone which is known as one of the best schools on the Coast!

It offers 2 large bedrooms both with full glass sliding doors opening out onto a balcony and both with air conditioning and their own bathroom. As you walk into 511 with its welcoming foyer you will no doubt be most impressed when you enter into this open plan modern apartment with great kitchen, dining and living area plus it offers more storage cupboards than most. With its wrap around balcony on both sides you can enjoy the beautiful cross ventilation sea breezes filtering through and is fully airconditioned when required. It is conveniently positioned between Kawanas patrolled beach and the very popular Kawana Shopping World which has Coles, Woolworths, Aldi, Big W, Best and Less and many specialty stores and services together with the Coasts newest Gold Class Cinemas. Its only a 5 minute walk to the Kawana Hotel and so many more restaurants and Cafes together with IGA, Library, Centrelink, Medical Centre, Dentist and so much more and the nature walks are spectacular so come along to the next open home or phone to arrange an inspection or video call if you are interstate, I wouldn't hesitate though as this one will not last long!!
